## **Neighborhood Plan Update Open House**

The Bear Creek Citizen Advisory Committee (CAC) is preparing recommendations for draft policy updates. The policy updates are based on the draft vision statement that the neighborhood helped develop in fall 2009. Topic areas include: neighborhood character, housing, transportation, and land use.

We want to hear your ideas and feedback on policies drafted to date, and on upcoming topics. Draft policies are posted on the website below. If you cannot attend, please provide feedback via the web, or by phone.
